Description

Test steps:
Visit http://www.tripadvisor.com - and login with the following credentials:
E-mail address: tripadvisor2024@yahoo.com
Password: Internet2024.
Go to profile page
In the lower right corner of the "Profile Account" page there is the "Share your travel advice" box. Click on "Post photos"
Answer at the question "Where'd you take these?" in the proper field
Select from the list of the cities the desired city
Click on "Click to add photos" , choose the desired photos and click on "upload photos"
Return to your "Profile Account" page and check if the photos appear at the section "photos"

Expected result:
A new page with all your photos should open

Actual result:
On the page with the photos of places there aren't any of the photos uploaded

Agile

Sprint: CCI Sprint 1

Description

Test steps:
On the first page in the upper right corner, next to currency, it appears the profile photo. Click on it
From the menu list select "Trips"
Choose the folder that you desire to invite friends to collaborate and click on the 3 dots situated in the right corner of the folder
Click on "Copy link" button
Verify if the copied link works

Expected Result:
The trip folder opens and you can modify even if you're not logged-in

Actual Result:
The messagge "This Trip is on vacation…you should be too." appears
